About the MYADVISOR PSP System

Welcome to the user manual for **MYADVISOR PSP (Your Digital Academic Advisor for Polytechnic Students)**. This guide is designed to help users navigate and utilize all the features of MYADVISOR PSP efficiently. The system aims to support students at **Politeknik Seberang Perai** in managing their academic progress, tracking schedules, and accessing important information conveniently in one place.

MYADVISOR PSP has been thoughtfully developed to enhance communication between students and their academic advisors while simplifying daily academic management. It integrates multiple useful tools — including document storage, academic tracking, scheduling, and a 3D map of the JTMK department — into one unified platform.

Key Features and Benefits:

- 1) **Academic Tracking** – Enables students to view their academic performance, monitor progress, and identify areas for improvement.
- 2) **Document Storage** – Provides a secure place to upload and manage academic documents such as assignment reports or advisor feedback.
- 3) **Scheduling** – Helps students organize their timetable and receive reminders for important academic activities.
- 4) **3D Map of JTMK** – Offers an interactive map to assist users in navigating around the JTMK building easily.
- 5) **Notifications** – Sends real-time alerts about upcoming meetings, deadlines, or announcements from advisors.
- 6) **User-Friendly Interface** – Simplifies navigation with clear menus and intuitive icons for smooth user experience.
- 7) **Data Security** – Protects user data and ensures only authorized users can access their academic information.

Getting Started:

Before using MYADVISOR PSP, take some time to familiarize yourself with its layout and key sections. This manual provides a step-by-step guide through each function — from login and registration to using the academic tools and accessing the 3D map.

How to Use This Manual:

This user manual is organized into easily digestible sections, each covering a specific aspect of the MYADVISOR PSP System. We've designed it to be clear, concise, and accompanied by visual aids to facilitate your understanding.

System Requirements:

- Web browser: Google Chrome, Microsoft Edge, or Mozilla Firefox (latest version)
- Internet connection required
- PHP and MySQL (if running locally via XAMPP)

Hardware Requirements:

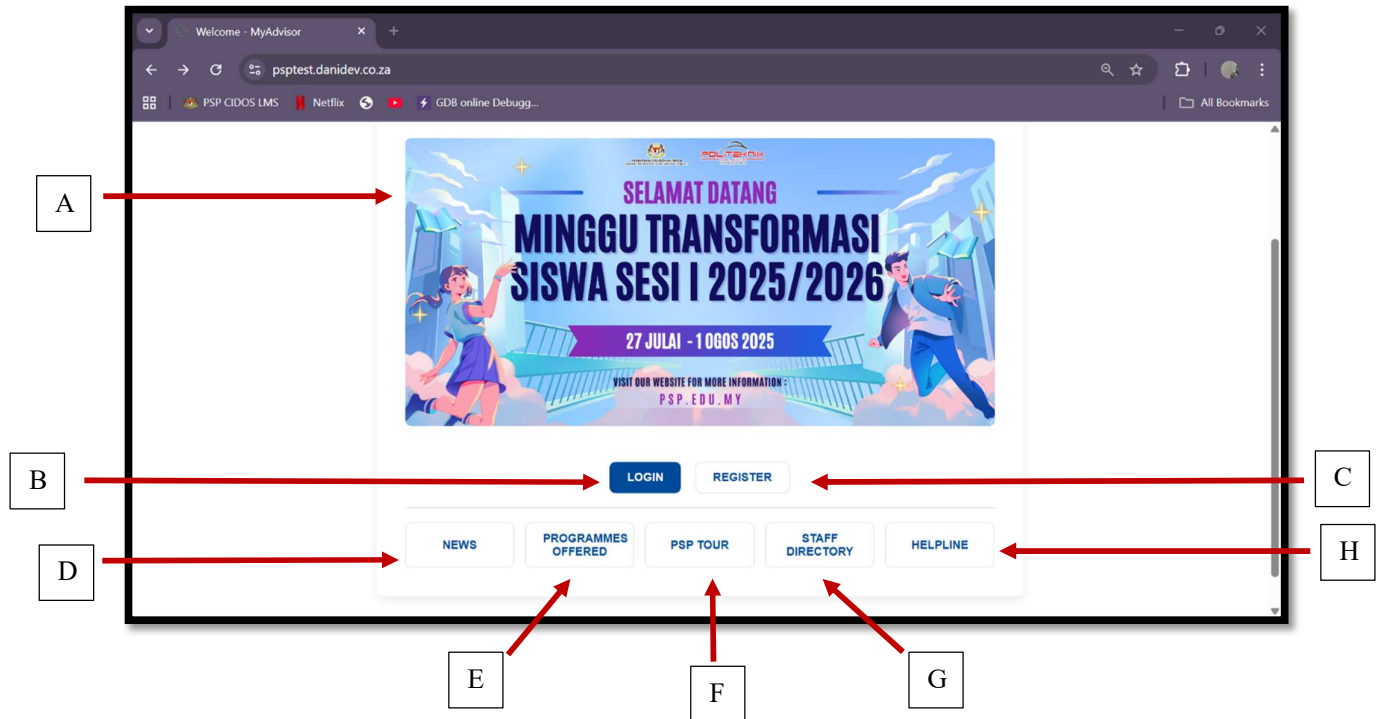

- Laptop or desktop computer
- Recommended screen resolution: **1366×768 and above**
- Touchscreen supported for tablets and mobile users

Contact Support:

If you encounter any challenges or have questions while using our MYADVISOR PSP System, our dedicated support team is here to assist you. Feel free to reach out to us via phone or email, and we'll be more than happy to provide the help you need.

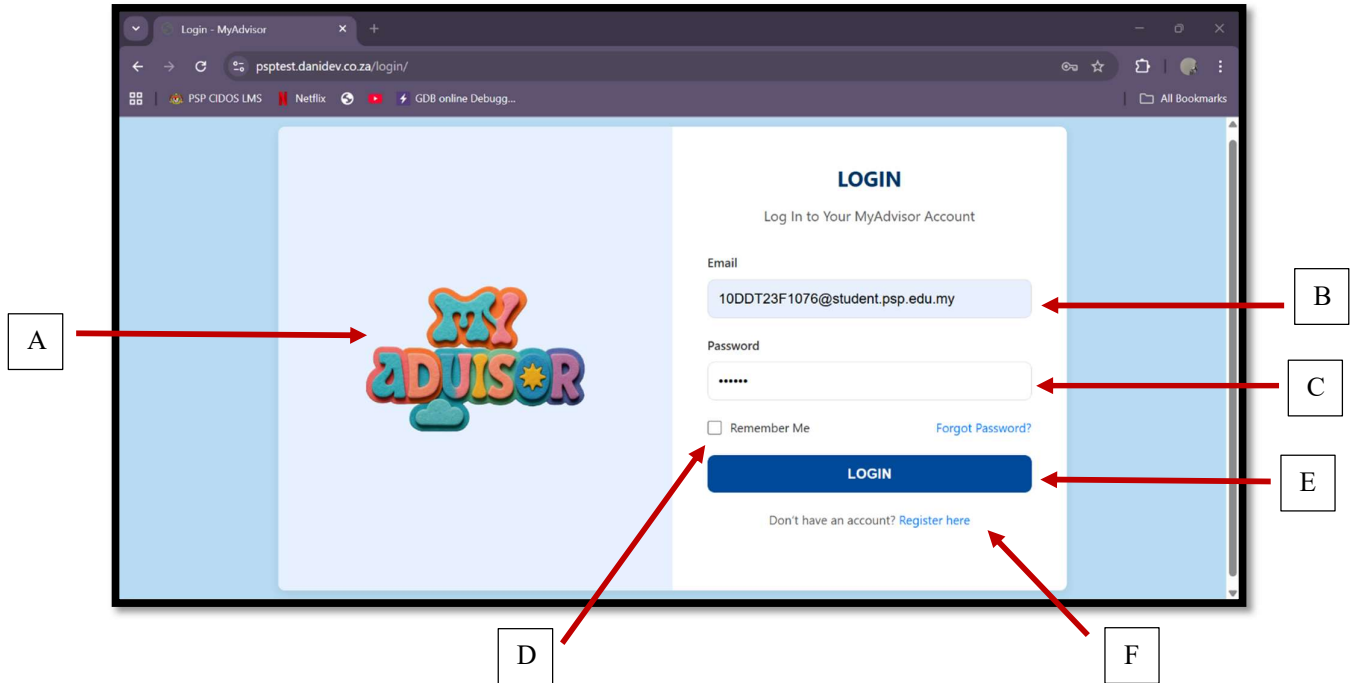

Thank you for choosing our MYADVISOR PSP System. We are confident that it will prove to be an invaluable asset to your grocery shop, streamlining operations and maximizing your success. Let's get started!

Main Dashboard

- A. **Slideshow** – This section displays a slideshow containing five images. Each image serves as a clickable link that directs users to specific pages based on the content of the image.
- B. **Login Button** – Allows students, staff, advisors, and admins to log in and access their respective dashboards based on username and password.
- C. **Register Button** – This button is used by students to create a new account. The information entered during registration will later be displayed on the student's dashboard.
- D. **News Button** – This button redirects users to the **News Page**, where important announcements and information uploaded by the admin are displayed.
- E. **Programmes Offered Button** – This section lists all the academic programmes offered at PSP, including details on the required SPM subjects for each course.
- F. **PSP Tour Button** – This button opens a video showcasing the entire Politeknik Seberang Perai (PSP) campus, allowing visitors who are not familiar with PSP to view the surroundings easily.
- G. **Staff Directory Button** – When clicked, this button redirects users to the official PSP portal, where they can view the list of staff members at the institution.
- H. **Helpline Button** – This section provides contact numbers and essential information for users who wish to reach out for help or inquiries.

Login

- A. **System Logo** – Displays the official logo of the MYADVISOR PSP system.
- B. **Email Field** – Users must enter the registered email address.
 - Students are required to use an email ending with **@student.psp.edu.my**.
 - Staff and admins must use an email ending with **@psp.edu.my**.
- C. **Password Field** – Enter the password created during registration.
- D. **Remember Me Checkbox** – When selected, the system will save the user's email and password, making future logins faster and more convenient.
- E. **Login Button** – Used to access the system after entering a valid email and password.
- F. **Register Link** – Redirects users to the registration page. This option is useful if users accidentally open the login page before registering an account.

[Back to Login](#)

A

B

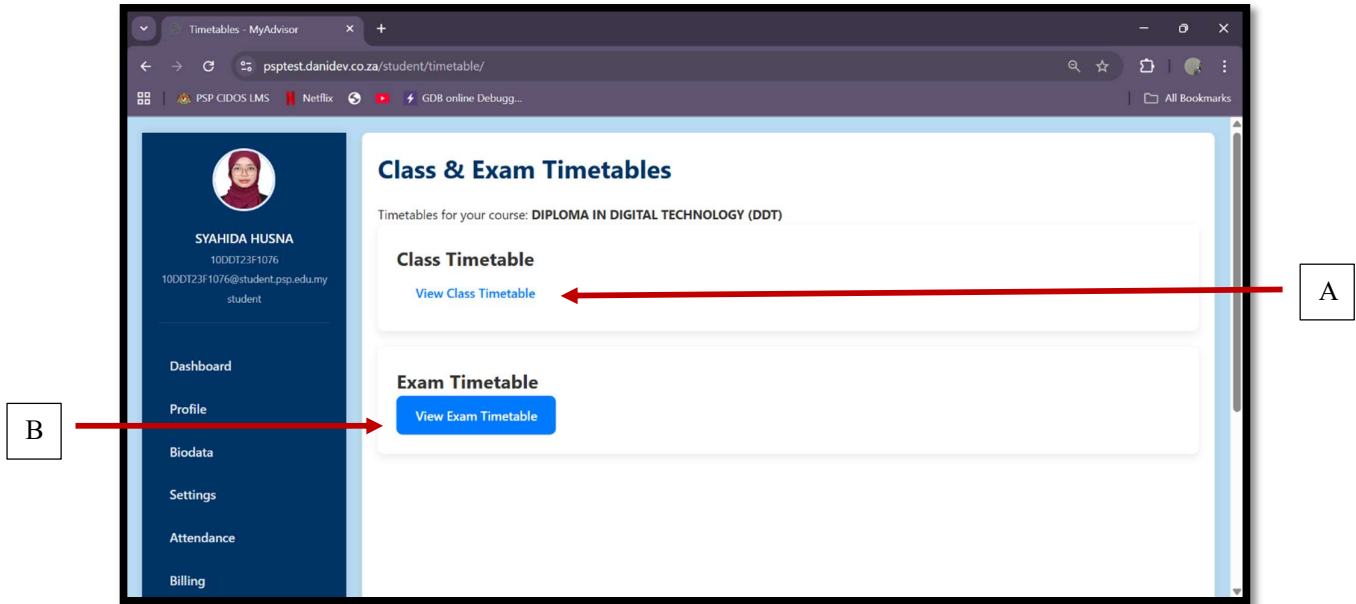

- A. **Register as Student Button** – After filling in all required information correctly, students can click this button to complete the registration process.
- B. **Login Link** – Redirects users to the login page. This is useful if a user mistakenly opens the registration page but already has an existing account.

Student Dashboard

- A. **Notifications Button** – Allows students to view important notifications related to their academic activities or system updates.
- B. **Attendance Button** – Students can use this feature to register their attendance.
- C. **Announcement Section** – Displays announcements that students need to be aware of.
- D. **View Class Timetable** – Students can view their current semester timetable here.
- E. **Upload Document** – A section where students must upload required documents such as MC, memos, and other related files.
- F. **Profile Page** – Shows the student's basic profile information.
- G. **Biodata Page** – Displays detailed personal and academic information of the student.
- H. **Settings Page** – Allows students to adjust their account settings.
- I. **Attendance Page** – This page functions the same as item **B**, showing the attendance interface.
- J. **Classroom & Lab Layouts** – Provides 2D and 3D planner views to help students locate classrooms and labs easily (currently available for JTMK only).
- K. **Billing Page** – Displays fee-related information for the student.
- L. **Document Page** – Same function as item **E**, showing the document upload and management interface.
- M. **Class Timetable Page** – Same as item **D**, displaying the full timetable interface.
- N. **Exam Result Page** – When selected, this page displays the student's examination results directly.
- O. **Report Issue Page** – A section where students can submit any complaints or issues.
- P. **Helpline Page** – Provides the same contact information as shown on the main dashboard.
- Q. **Logout Button** – Logs the student out of the system and returns them to the login page.

Class & Exam Timetables

- A. **Register as Student Button** – After filling in all required information correctly, students can click this button to complete the registration process.
- B. **Login Link** – Redirects users to the login page. This is useful if a user mistakenly opens the registration page but already has an existing account.

Upload Document

The screenshot shows a web browser window with the URL `psptest.danidev.co.za/student/document/`. The page has a dark blue header with a 'Back to Dashboard' button (labeled A). The main content area is white and contains the 'Upload Document' form. The form has two dropdown menus: 'Semester' (labeled B) with 'Semester 1' selected, and 'Category' (labeled C) with 'Academic' selected. Below these is a 'File' section with a 'Choose File' button (labeled D) and the text 'No file chosen'. At the bottom of the form is an 'Upload' button (labeled E). Below the form is a section titled 'Uploaded Documents' (labeled F) which displays two tables of uploaded files.

Uploaded Documents
Semester 1
Academic

File	Folder
MiniProject_DFP50293_SESI120252026.pdf	academic

Memo

File	Folder
memo_foi.pdf	memo/jabatan
Memo.pdf	memo/jabatan
Memo.pdf	memo/jabatan

- A. **Back Button** – Returns the user to the student dashboard.
- B. **Semester Dropdown** – Allows students to select the relevant semester for the document they want to upload.
- C. **Document Category Dropdown** – Used to choose the type of document (e.g., MC, memo, forms).
- D. **Choose File** – Lets students select the appropriate file from their device to upload.
- E. **Upload Button** – Confirms and uploads the selected document to the system.
- F. **Uploaded Documents** – Displays a list of all previously uploaded documents for easy reference and tracking.

Update Profile

B

A

A. **Choose File** – Allows students to select a profile picture to upload. Only **JPG, PNG, and GIF** file formats are supported.

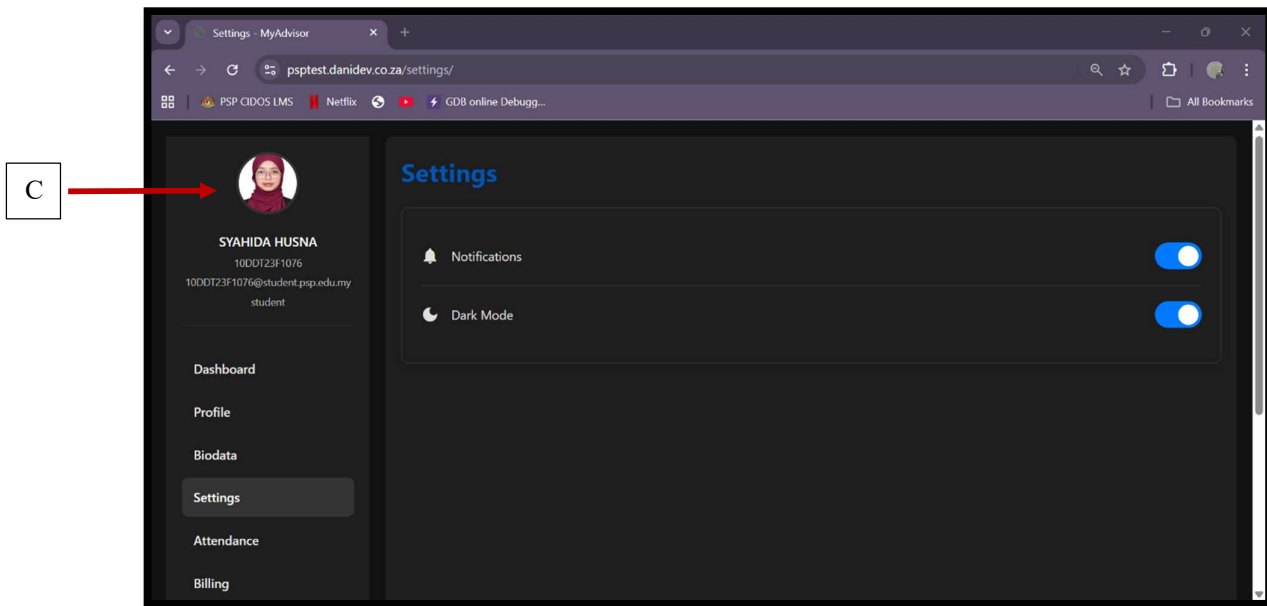

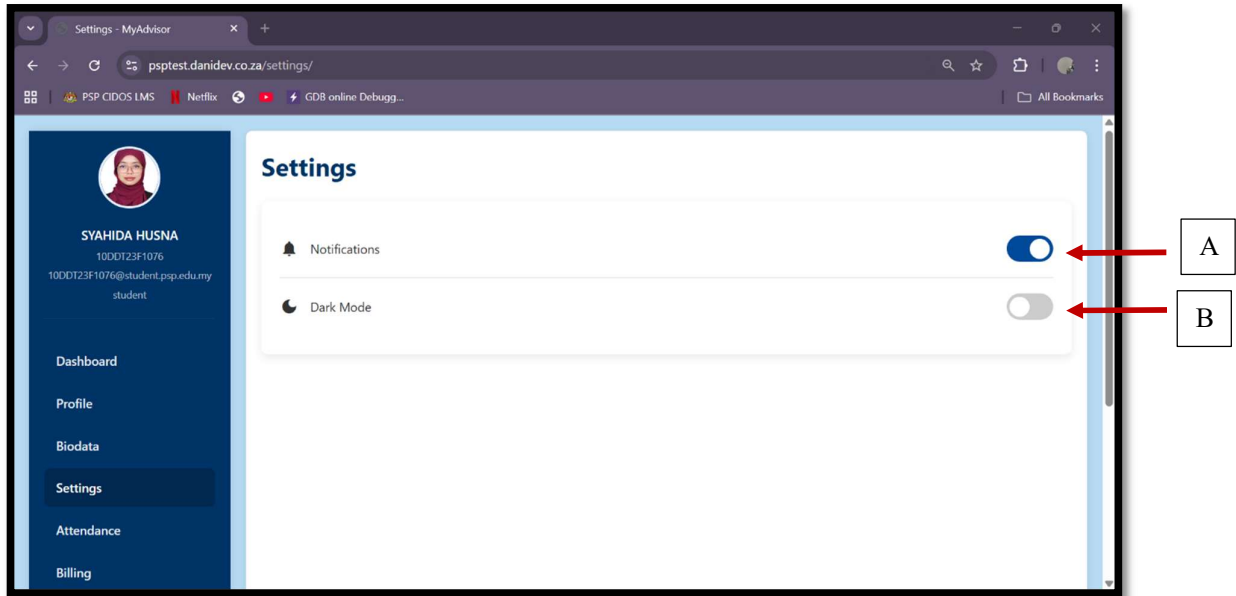

B. **Upload Profile Button** – Used to save the selected profile picture and any updated information.

Biodata

The image shows two screenshots of a web application interface. The top screenshot displays the 'My Biodata' page. On the left is a dark blue sidebar with a user profile for SYAHIDA HUSNA (ID: 10DDT23F1076) and a menu with options: Dashboard, Profile, Biodata, Settings, and Attendance. The main content area is titled 'My Biodata' and includes a note: 'Please keep your personal information up to date.' Below this are several input fields: IC Number, Phone Number, Date of Birth (with a calendar icon), Gender (a dropdown menu currently showing 'Male'), and Nationality. There is also a large text area for the Address. The bottom screenshot shows the 'Emergency Contact' section. It has a sidebar with options: Billing, Documents, Class Timetable, Exam Result, Aduan, Helpline, and Logout. The main content area is titled 'Emergency Contact' and contains two input fields: Contact Name and Contact Phone. At the bottom of this section is a blue button labeled 'Save Biodata'. A red arrow points from a box labeled 'A' to this button.

- A. **Save Biodata Button** – Used to save all updated personal information after the student has filled in the required details.

Settings

- A. **Notification Toggle** – Allows users to enable or disable system notifications.
- B. **Dark Mode Toggle** – Lets users switch between light mode and dark mode.
- C. **Dark Mode Interface Preview** – Displays how the system interface appears when dark mode is activated.

Attendance

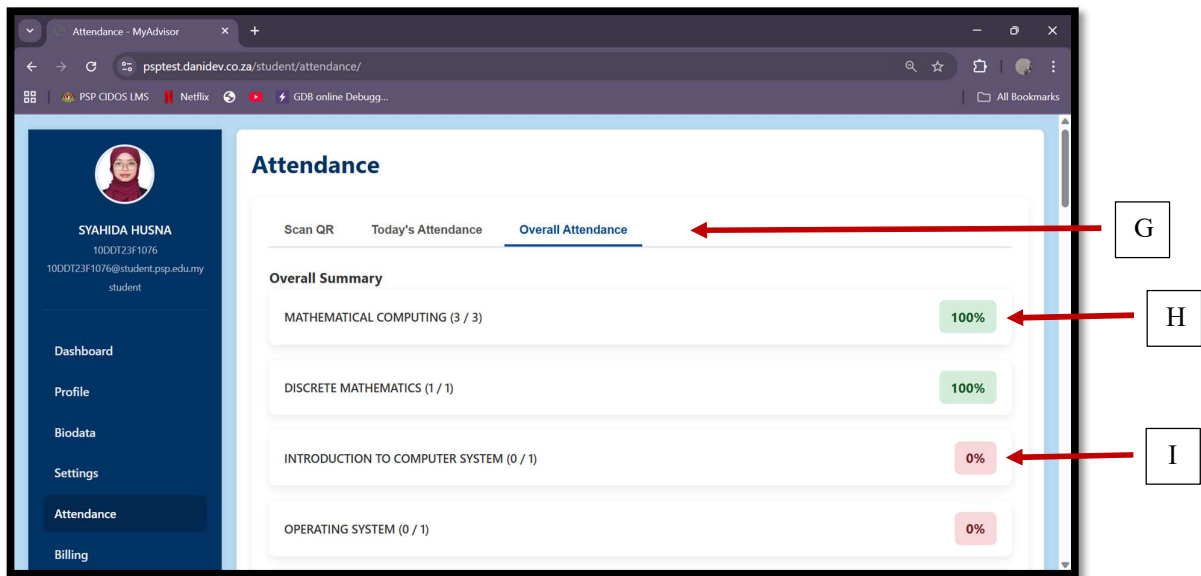

The image displays three sequential screenshots of a web application interface for managing attendance.

Screenshot 1: Attendance Page
The interface shows a sidebar on the left (labeled A) with the user's profile (SYAHIDA HUSNA, 10DDT23F1076) and navigation links (Dashboard, Profile, Biodata, Settings, Attendance). The main content area is titled "Attendance" and has three tabs: "Scan QR", "Today's Attendance", and "Overall Attendance". The "Scan QR" tab is active, displaying a "Register Attendance" section with a button labeled "Scan QR Code" (labeled B). The instruction reads: "Click the button below to scan the QR code provided by your lecturer."

Screenshot 2: Scan Attendance QR Code Page
The interface shows the "Scan Attendance QR Code" page. The sidebar (labeled C) is visible on the left. The main content area displays instructions: "Allow camera access and point at the QR code. Ensure the QR code is fully visible in the frame." Below the instructions is a green button with a checkmark and the text "Attendance recorded successfully!".

Screenshot 3: Today's Attendance Page
The interface shows the "Today's Attendance" page. The sidebar (labeled D) is visible on the left. The main content area has three tabs: "Scan QR", "Today's Attendance", and "Overall Attendance". The "Today's Attendance" tab is active, displaying "Today's Status". There are two entries:

- MATHEMATICAL COMPUTING**: Status is "Not Registered" (labeled E).
- DISCRETE MATHEMATICS**: Status is "Registered At 05:06 AM" (labeled F).

- A. **Scan QR Page** – Students must be on this page in order to scan the QR code provided by the lecturer.
- B. **Scan QR Code Button** – When selected, the system will request camera access. Students can then scan the QR code given during class.
- C. **Attendance Confirmation** – After a successful scan, the system will display a message stating “*Attendance recorded successfully.*”
- D. **Today’s Attendance** – Shows all subjects that the student has successfully attended for the day.
- E. **Red Indicator** – Indicates subjects that the student has *not* registered attendance for (did not attend class or did not scan the QR code).
- F. **Green Indicator** – Shows subjects that the student has scanned, attended, and includes the timestamp of when the QR was scanned.
- G. **Overall Attendance Page** – Displays the student’s overall class attendance percentage to track whether they have met the required attendance hours.
- H. **100% (Green)** – Indicates full attendance with no absences.
- I. **0% (Red)** – Indicates no attendance recorded for the subject (absent).

- A. **Payment Selection** – Students must choose the type of payment they want to upload a receipt for.
- B. **Class Name Field** – Students need to enter the name of the class related to the payment.
- C. **Choose File** – Used to upload the receipt after the payment has been made.
- D. **Upload Receipt Button** – Confirms and uploads the selected receipt to the system.
- E. **Payment History** – Displays a list of all payments, allowing students to check whether they have already made a payment or not.
- F. **View Button** – Allows students to open and view the uploaded receipt file.

Aduan (Report)

The image displays three sequential screenshots of a web application interface, illustrating the process of submitting and viewing a report (Aduan).

Screenshot 1: Submit a Report (Aduan)

The user is logged in as SYAHIDA HUSNA (10DDT23F1076). The page shows the "Submit a Report (Aduan)" form. The "Subject/Title" field contains "Broken Study Lamp". The "Category" dropdown is set to "Facility". The description text is: "My study lamp has been flickering for the past two or three days. Sometimes it turns on, and sometimes it goes off by itself. This makes it difficult for me to study at night." The "Submit Report" button is highlighted with a red arrow labeled A. The "View My Reports" button is highlighted with a red arrow labeled B.

Screenshot 2: My Reports

The user is logged in as SYAHIDA HUSNA. The page shows the "My Reports" section. A table lists the submitted report:

Title	Category	Status	Date	Action
Broken Study Lamp	Facility	In Progress	05 Nov 2025	View

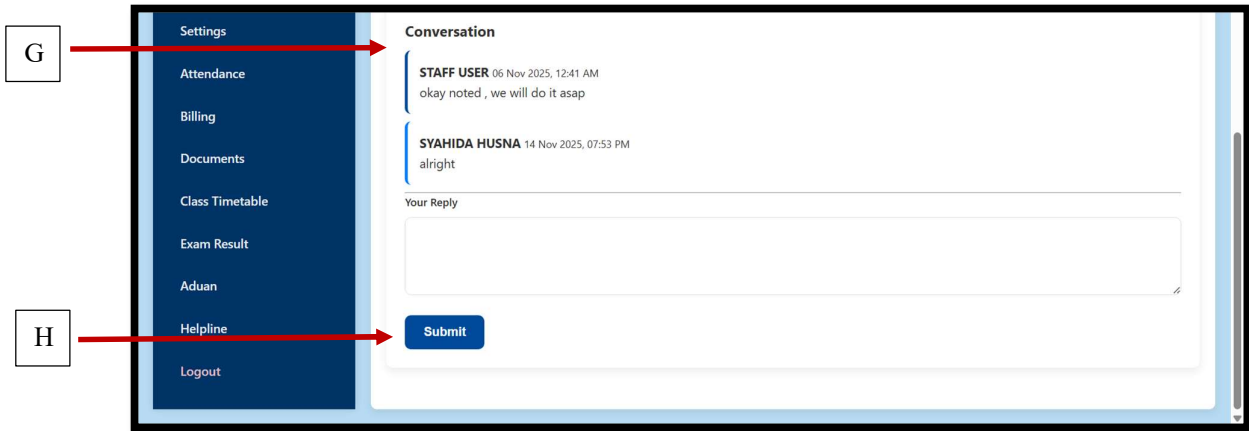

The "View" link in the table is highlighted with a red arrow labeled C. The "+ Submit New Report" button is highlighted with a red arrow labeled D.

Screenshot 3: Report Details

The user is logged in as SYAHIDA HUSNA. The page shows the "Report Details" for the "Broken Study Lamp". The details include:

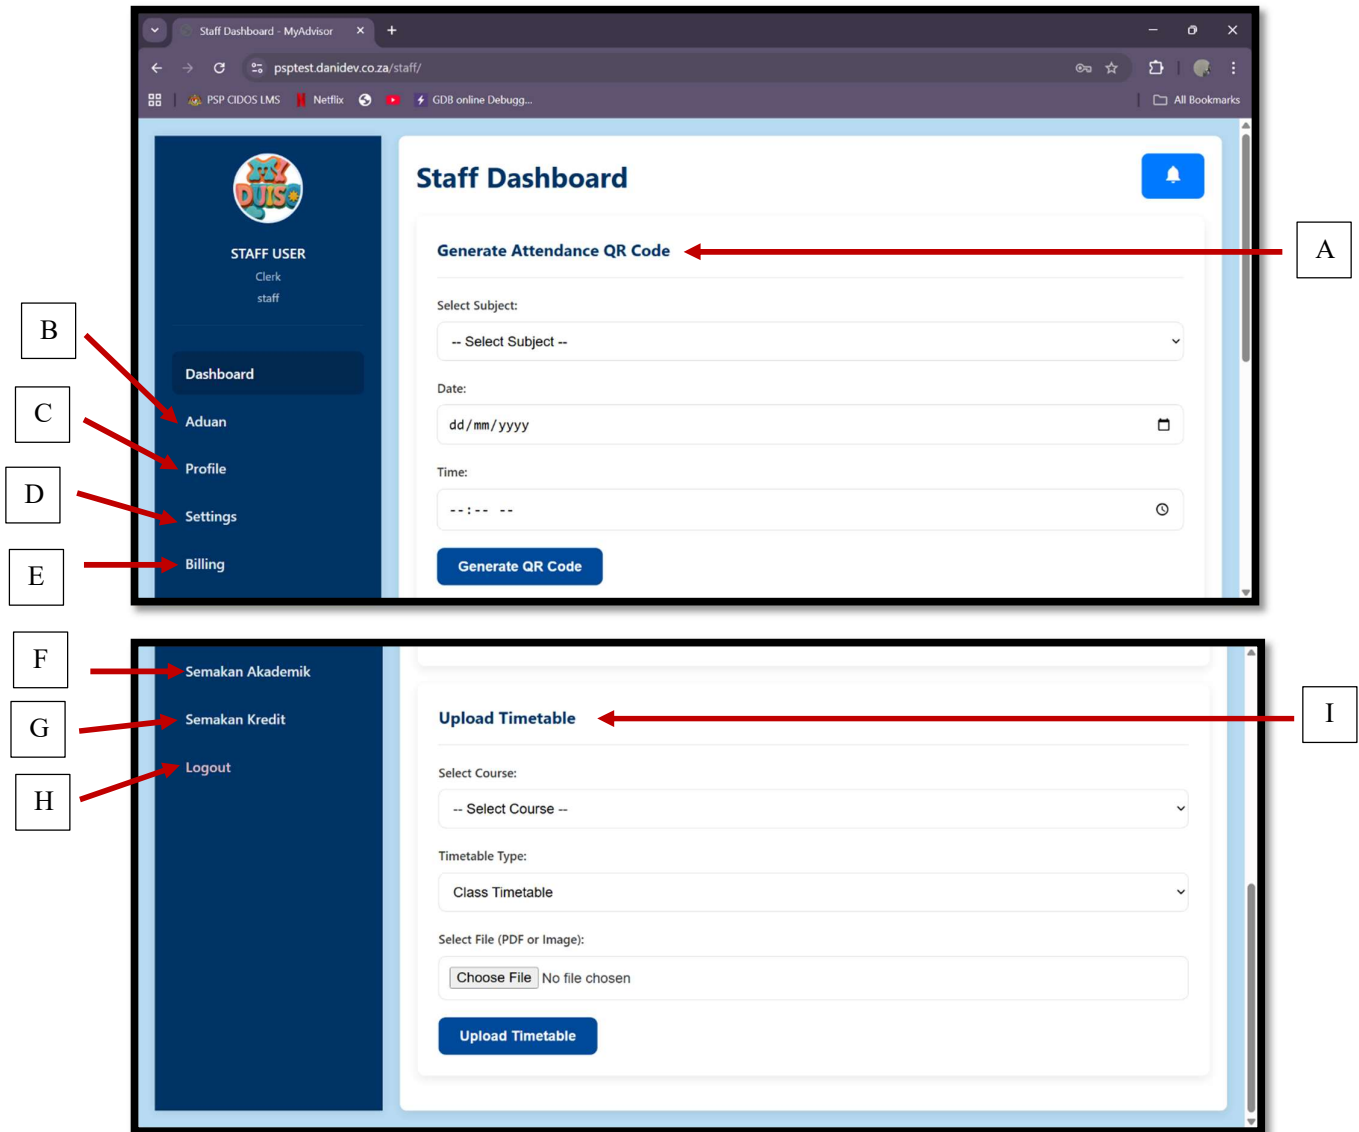

- Student: SYAHIDA HUSNA
- Category: Facility
- Status: In Progress
- Submitted: 05 Nov 2025, 09:37 PM

The description text is: "My study lamp has been flickering for the past two or three days. Sometimes it turns on, and sometimes it goes off by itself. This makes it difficult for me to study at night." The "Back to Reports" button is highlighted with a red arrow labeled E. The report title "Broken Study Lamp" is highlighted with a red arrow labeled F.

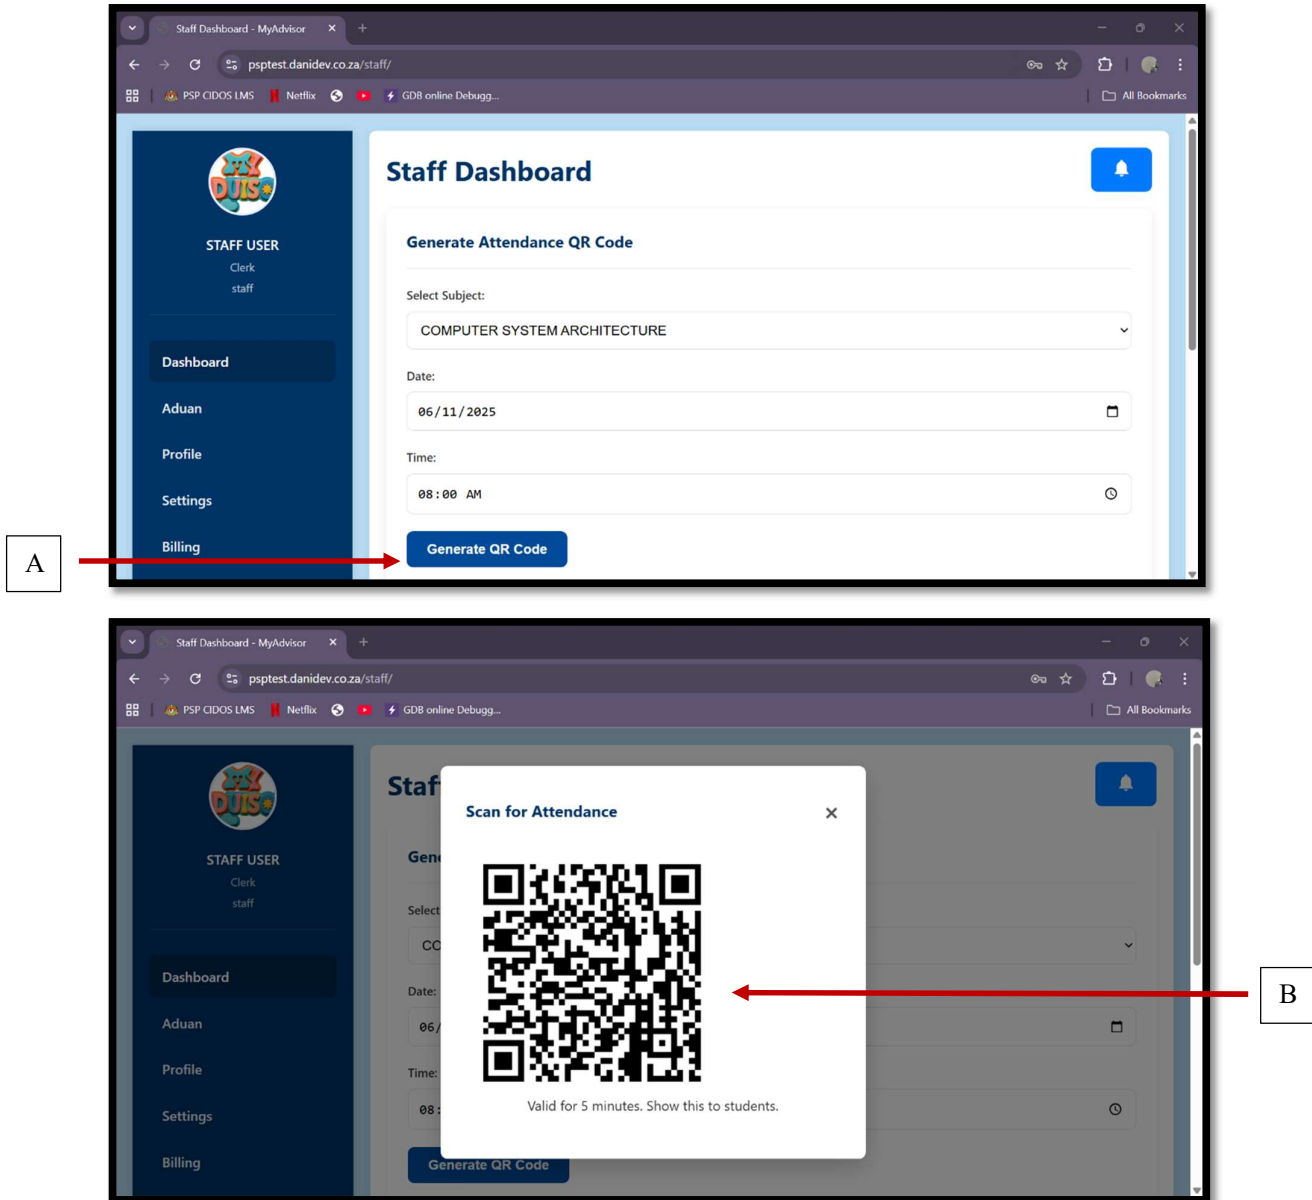

- A. **Submit Report Button** – Used after students finish writing their issue or complaint, allowing them to submit the report.
- B. **View My Reports Button** – Lets students review all previously submitted reports.
- C. **View Button** – Opens a specific report to display its full details.
- D. **Submit New Report Button** – Allows students to create and submit a new report.
- E. **Back to Reports Button** – Returns the student to the main list of reports.
- F. **Report Details Section** – Shows detailed information such as the report status, date submitted, and whether a staff member has responded.
- G. **Conversation Section** – Shows the ongoing conversation between the student and staff the regarding the report.
- H. **Submit Reply Button** – Lets students send their follow-up reply after receiving a staff response.

Staff Dashboard

- A. **Aduan Page** – Directs staff to the complaints page where they can review and manage student reports.
- B. **Profile Page** – Allows staff to view and update their personal profile information.
- C. **Settings Page** – Provides options for adjusting system preferences such as notifications or display settings.
- D. **Billing Page** – Staff can view and manage billing-related submissions from students.
- E. **Generate QR Code Page** – Used to create QR codes for attendance purposes.
- F. **Semakan Akademik Page** – Displays academic records for staff to review.
- G. **Semakan Kredit Page** – Allows staff to check and verify student credit information.
- H. **Logout Button** – Logs the user out and returns them to the login page.
- I. **Upload Timetable Page** – Staff can upload updated schedules or class timetables

Generate Attendance QR Code

- A. **Generate QR Code Button** – After entering the subject, date, and time, staff can press this button to generate the QR code for attendance.
- B. **Generated QR Code** – The QR code displayed will be valid for only 5 minutes. Once it expires, staff must generate a new one.

Upload Timetable

The image displays two screenshots of a web application interface for uploading a timetable. The interface is titled "Upload Timetable" and is part of a "Staff Dashboard - MyAdvisor" system.

First Screenshot (Initial Form):

- Left Sidebar:** Contains links for "Semakan Akademik", "Semakan Kredit", and "Logout".
- Form Fields:**
 - Select Course:** A dropdown menu with "DIPLOMA IN DIGITAL TECHNOLOGY (DDT)" selected. (Label A points here)
 - Timetable Type:** A dropdown menu with "Class Timetable" selected. (Label B points here)
 - Select File (PDF or Image):** A file selection area with a "Choose File" button and the filename "timetable.jpg". (Label C points here)
 - Upload Timetable:** A blue button to submit the form. (Label D points here)

Second Screenshot (Post-Upload):

- Message:** A green box at the top displays the message "Class timetable uploaded successfully!". (Label E points here)
- Form Fields:**
 - Select Course:** A dropdown menu with "-- Select Course --" selected.
 - Timetable Type:** A dropdown menu with "Class Timetable" selected.
 - Select File (PDF or Image):** A file selection area with a "Choose File" button and the text "No file chosen".
 - Upload Timetable:** A blue button to submit the form.

- A. **Course Selection** – Staff must select the course for which they want to upload the timetable.
- B. **Timetable Type Dropdown** – Allows staff to choose the type of timetable, such as class timetable or exam timetable.
- C. **Choose File** – Used to select the timetable file from the device for uploading.
- D. **Upload Timetable Button** – Confirms and uploads the selected timetable to the system.
- E. **Upload Confirmation** – Displays a message “*Class timetable uploaded successfully!*” after a successful upload.

Broken Study Lamp

Student: SYAHIDA HUSNA
Category: Facility
Status: In Progress
Submitted: 05 Nov 2025, 09:37 PM

My study lamp has been flickering for the past two or three days. Sometimes it turns on, and sometimes it goes off by itself. This makes it difficult for me to study at night.

F

- A. **View Reports** – Allows the admin to open and review every report submitted by students.
- B. **Back to Reports Button** – Returns the admin to the main report list.
- C. **Report Details** – Displays full details of the selected report, similar to what the student sees.
- D. **Update Status Button** – Used to change the current status of the report (Open, In Progress, or Closed).
- E. **Conversation Section** – Shows the message history between the student, staff, and admin for that specific report.
- F. **Submit Button** – Allows the admin to send a reply or update within the report's conversation.

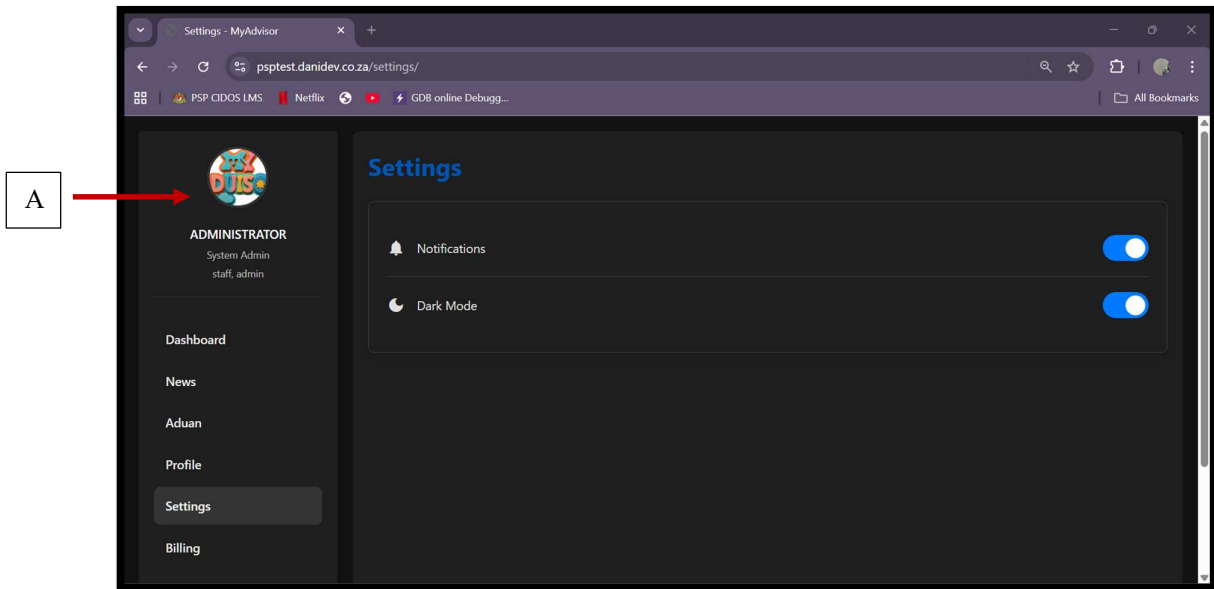

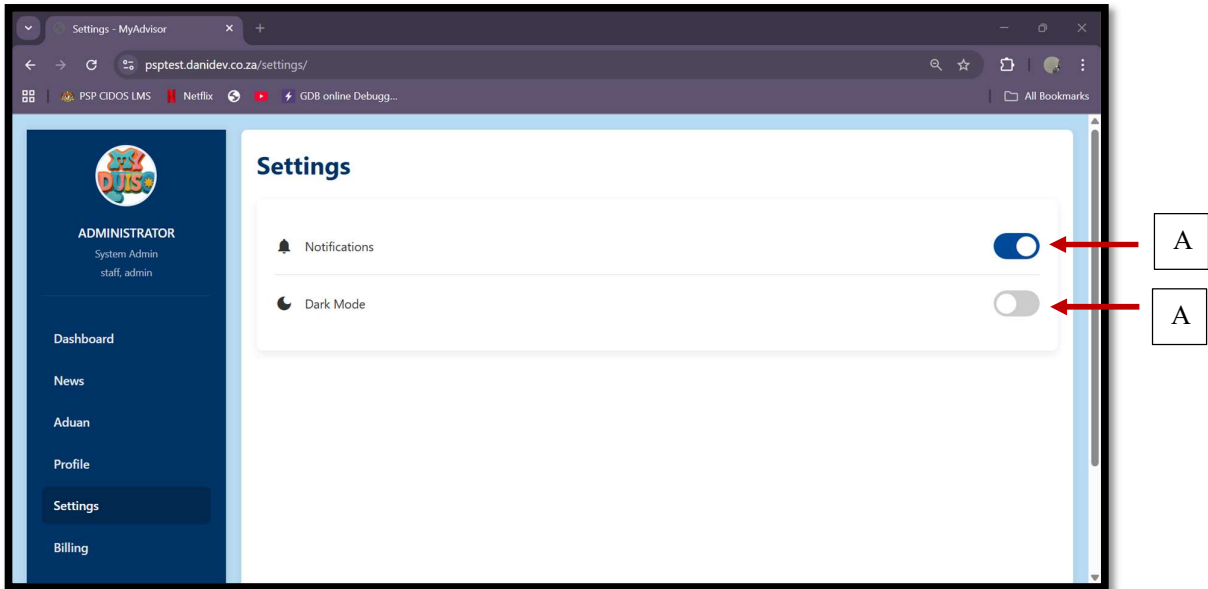

Profile

A. **Choose File** – Allows admins to select a profile picture to upload. Only **JPG, PNG, and GIF** file formats are supported.

B. **Upload Profile Button** – Used to save the selected profile picture and any updated information.

Settings

- A. **Notification Toggle** – Allows users to enable or disable system notifications.
- B. **Dark Mode Toggle** – Lets users switch between light mode and dark mode.
- C. **Dark Mode Interface Preview** – Displays how the system interface appears when dark mode is activated

Billing

The image displays three screenshots of a web application titled "Student Payment Receipts".

Top Screenshot: The application is in the "Search Receipts" state. The left sidebar menu includes "Dashboard", "News", and "Aduan". A red arrow labeled **A** points from the "News" menu item to the "Search" button.

Middle Screenshot: The application is in the "Receipt List" state. The left sidebar menu includes "Profile", "Settings", "Billing", "Semakan Akademik", "Semakan Kredit", and "Logout". A red arrow labeled **B** points from the "Billing" menu item to the "Receipt List" section. The "Receipt List" table contains the following data:

Student Name	Matric No	Class	Payment Type	Amount (RM)	Uploaded	Receipt
YOGES MOHAN	10DDT23F1070	DDT5B	Yuran MSP	15.00	06 Nov 2025	View
YOGES MOHAN	10DDT23F1070	DDT5B	Yuran Pengajian	200.00	06 Nov 2025	View
SYAHIDA HUSNA	10DDT23F1076	DDT5B	Yuran Pengajian	200.00	05 Nov 2025	View
YOGES MOHAN	10DDT23F1070	DDT5B	Yuran Pengajian	200.00	05 Nov 2025	View
DANI2	10DDT90F6589	DDT4B	Yuran MSP	15.00	05 Nov 2025	View

A red arrow labeled **C** points from the "View" button in the first row of the table to the right.

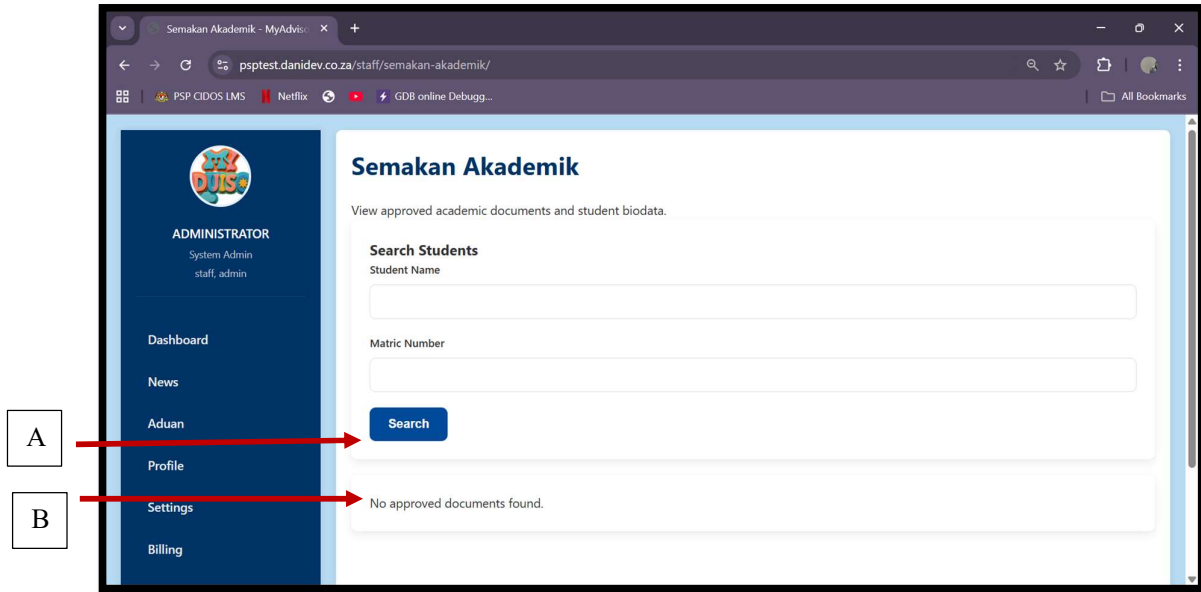

Bottom Screenshot: The application is in the "Search Receipts" state with filters applied. The left sidebar menu includes "Dashboard", "News", "Aduan", "Profile", "Settings", "Billing", and "Semakan Akademik". A red arrow labeled **D** points from the "Clear" button to the right. The "Search Receipts" form shows "Student Name" as "syahida" and "Matric Number" as "10ddt23f1076". The "Receipt List" table contains the following data:

Student Name	Matric No	Class	Payment Type	Amount (RM)	Uploaded	Receipt
SYAHIDA HUSNA	10DDT23F1076	DDT5B	Yuran Pengajian	200.00	05 Nov 2025	View

A red arrow labeled **E** points from the "View" button in the first row of the table to the right.

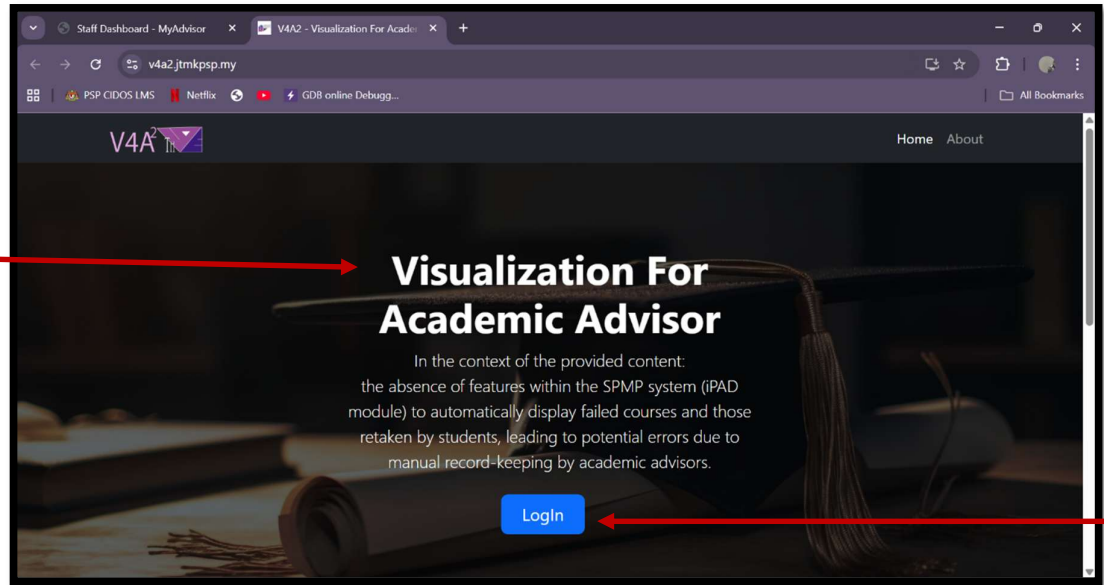

- A. **Search Button** – The admin can search for a student's payment receipt by entering the student's name and matric number, then clicking this button.
- B. **Receipt List** – Displays all uploaded receipts from every student for easy reference.
- C. **View Button** – Allows the admin to open and view the selected receipt file.
- D. **Clear Button** – Clears the search fields when the admin wants to search for another student.
- E. **Search Result View** – After searching, the admin can click the view button next to the correct record to open the receipt.

Semakan Akademik

- A. **Search Button** – Allows the admin to search for academic documents uploaded by students by entering the student's name and matric number.
- B. **Uploaded Documents List** – Displays all documents uploaded by the student once the search results appear.

- A. **Semakan Kredit Link** – When admin click the *Semakan Kredit* option in the sidebar, they will be redirected to this external website.
- B. **Login Section** – Admin must log in using their IC number and their respective password.
- C. **Student Progress Overview** – Academic Advisors (PA) can view each student under their supervision and check whether they have completed all required subjects for each semester.
- **Green** indicates the subject has been passed.
 - **Blue** indicates the subject is currently ongoing.
 - **Red** indicates the subject is carried forward (C1 or C2).
- D. **PA Name Display** – Shows the name of the Academic Advisor and the list of all assigned students under their supervision.
- E. **Subject Mapping List** – Displays the names of students in a class along with all related subjects, allowing the PA to easily review which subjects have been passed, are ongoing, or carried.
